

Regional CBE Workshop #3

Coastline College, in partnership with the Competency-Based Education Network, Inc. (C-BEN,) is hosting a series of Regional Competency Based Education (CBE) workshops for OC Community Colleges and workforce partners. The workshops and info sessions will explore the CBE concept, design, and best practices via hands-on activities, panel events, and open discussions.

02/10/23 Workshop Content:

- Know your anticipated learners and deeply understand their needs and challenges
- Create a learner experience journey map for CBE program, identifying key touchpoints
- Identify areas where learners may falter and pre-plan for appropriate interventions
- Develop a community partners network to help support learners with all needs

*Questions? Contact **Andrea Gallyon** abottaro@coastline.edu 714-440-3491*

Visit the regional CBE website for additional resources and archived presentations: OC-CBE.org
